Jon Lucker seconded and all were in favor and the motion carried.

Chairman Ron Jacobs stated there were no official items before the commission.

Chairman Ron Jacobs asked if there were any other items before the commission or if there were any public comments. Carmen Fleischauer stated that she had noticed in the Keeler Township Zoning Ordinance book online, that any changes to the zoning were not available for people to view. She asked if they could be added online to an addendum so that people could find any changes that had been made. The recording secretary stated that she would try and compile any changes so that they could be added online. Upon hearing no other comments, the commission entertained a motion by Bill Krohne to adjourn the meeting. Roberta Nichols seconded and all were in favor and the meeting was adjourned at 7:51 p.m.
